Board of Trustees  
VSE Corporation Employee ESOP/401(k) Plan

We have audited the accompanying statements of net assets available for benefits of VSE Corporation Employee ESOP/401(k) Plan (the "Plan") as of December 27, 2003 and 2002, and the related statement of changes in net assets available for benefits for the year ended December 27, 2003. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 27, 2003 and 2002, and the changes in its net assets available for benefits for the year ended December 27, 2003, in conformity with U.S. generally accepted accounting principles.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedule of assets (held at end of year) as of December 27, 2003, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

### VSE Corporation Employee ESOP/401(k) Plan

#### Notes to Financial Statements

December 27, 2003

#### 1. Description of the Plan

##### General Description

The VSE Corporation Employee ESOP/401(k) Plan (the Plan) was adopted by the Board of Directors of VSE Corporation (the Company or Plan Sponsor) in 1984. The Plan is a defined contribution plan with an Employee Stock Ownership Plan (ESOP) component covering all full-time and part-time employees of the Company

and a 401(k) component covering all full-time and part-time employees of the Company and its wholly owned subsidiaries. The Plan is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The above description of the Plan provides only general information. Participants should refer to Plan documents for a more complete description of Plan provisions.

#### Plan Administration

Certain officers or employees of the Company serve as Trustees of the Plan (Plan Trustees). Effective November 1, 2003, the VSE Corporation Employee ESOP/401(k) Plan changed the 401(k) Plan administrator and record keeper from Putnam Investments to Merrill Lynch. Merrill Lynch serves as third party plan administrator. Merrill Lynch provides an open architecture of fund investments and provides daily record-keeping services for the Plan. The ESOP portion of the Plan is administered in-house by the Company.

#### Eligibility

An eligible employee, as defined in the Plan document, becomes eligible to participate in the Plan on the first day of the month following the date of hire. If the eligible employee's first day of employment falls on the first calendar day of the month (or on the first regular working day of the month), the eligible employee will immediately be eligible to participate in the Plan.

### VSE Corporation Employee ESOP/401(k) Plan

#### Notes to Financial Statements (continued)

#### 1. Description of the Plan (continued)

##### Contributions

Each participant who has had VSE Corporation Common Stock (par value \$.05 per share) (VSE Stock) allocated to his or her participant Payroll-Based Stock Ownership Plan (PAYSOP) or ESOP account is entitled to exercise voting rights attributable to such VSE Stock and is provided with proxy soliciting material by the Plan Administrator prior to the time that such rights are to be exercised. If participants fail to exercise their VSE Stock voting rights, the Plan Trustees vote the stock. The Plan Trustees also vote all of the VSE Stock held by the Plan's VSE Stock Fund as well as all unallocated VSE Stock held by the Plan. No contributions have been made to the PAYSOP since 1986, and no contributions have been made to the ESOP since March 31, 1999.

The Company currently contributes 50 cents for each dollar of salary that a company employee participant defers on the first 6% of salary. The Company's matching contribution is discretionary. The Company makes a cash contribution for the match, and the cash contribution is allocated to each eligible participant's account on a pay period (semimonthly) basis.

ESOP and Company matching 401(k) contributions (but not PAYSOP allocations) are subject to a graded vesting schedule. The vesting schedule is 25% after one year of service, 50% after two years of service, and 100% after three years of service. To earn a "year of service," a participant must work 1,000 hours or more in a calendar year. Forfeitures of participant nonvested account balances are first available to reinstate previously forfeited account balances of former participants, if applicable, and then applied to reduce the Company's contribution in the following year. Total forfeitures applied as a reduction of the Company's contribution for 2003 and 2002 were \$34,488 and \$64,022, respectively, and unused forfeitures at December 27, 2003 and 2002, were approximately \$5,398 and \$16,800, respectively.

Participants are allowed to elect to defer up to 100% of their salary into the Plan each pay period pursuant to Section 401(k) of the Internal Revenue Code (IRC), subject to the maximum salary deferral limit for 2003 and 2002 of \$12,000 and \$11,000, respectively. The deferral amounts are also subject to limitations based on Plan provisions and participation deferral percentages. Participant contributions are invested at the discretion of the participant in any of 30 separately managed funds currently offered under the Plan. Dividends received on VSE Stock held in participant accounts and nonparticipant directed

investments are allocated pro rata to such

participant and nonparticipant accounts. Beginning in 2002, the Plan allowed the voluntary catch-up contribution.

Distributions

Participants (or their beneficiaries) are eligible to receive Plan benefits on retirement, disability, termination of employment, or death. Benefits are usually distributed in a lump sum. Distributions of Merrill Lynch funds are typically made in cash from liquidation of the participant's account. Distributions of VSE Stock are typically made in shares of VSE Stock. Fractional shares of VSE Stock and distributions fewer than 100 shares are paid in cash.

Participants may also apply, in certain limited situations, to withdraw funds from their 401(k) accounts due to a qualifying financial hardship in accordance with IRS regulations.

Ownership Rights (Vesting)

Participants are 100% vested in their 401(k) salary deferral contributions and any PAYSOP contributions. All contributions to the ESOP, which began in 1987, and the Company 401(k) match, which began in 1999, are subject to a graded vesting schedule as described in the "Contributions" subsection above.

Plan Termination

In the event of Plan termination, each participant will be fully vested in amounts held within the Plan for the participant's benefit. The Company expects to continue the Plan indefinitely, but reserves the right to change, modify, or discontinue it in whole or in part at any time, subject to the provisions of ERISA. No such action will divest a participant of the vested rights and benefits provided by contributions allocated to the participant's account.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles, requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Administrative Expenses

The administrative expenses of the Plan for the Plan year ended December 27, 2003, were paid by the Company.

3. Investments

## Investments

Merrill Lynch offers 12 Core Investment Options and 13 Mutual Fund Window Investment Options. In addition, 5 Goal Manager Portfolio Models are offered through the Plan. Each Goal Model portfolio model is composed of investment options determined by a participant's investment style and risk level.

Investment of a participant's 401(k) account is directed by the participant among options available under the Plan as described in the "Contributions" subsection above. Investments in mutual funds and common/collective trusts are valued at quoted market prices. Participant loans are valued at their unpaid balance. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. VSE Stock is purchased in the over-the-counter market or from stockholders. Dividends on VSE Stock are reinvested quarterly at fair market value.

Life insurance offered under the Plan builds cash value as determined by the insurance carrier. In accordance with Federal regulations, no more than 25% of a participant's contributions for the Plan year may be invested in life insurance. Life insurance is no longer offered by the Plan.

#### 6. Party-in-interest Transactions

Effective November 1, 2003, the VSE Corporation Employee ESOP/401(k) Plan changed the 401(k) Plan administrator and record keeper from Putnam Investments to Merrill Lynch.
