PROXY STATEMENT
Annual Meeting of Stockholders
to be held on May 1, 2007

INTRODUCTION

General

This proxy statement is being furnished to the stockholders of VSE Corporation, a Delaware corporation ("VSE" or the "Company"), in connection with the solicitation of proxies by VSE's board of directors (the "Board") for use at VSE's annual meeting of stockholders to be held on Tuesday, May 1, 2007, commencing at 10:00 a.m., Washington, D.C. time, at the VSE Building, 2550 Huntington Avenue, Alexandria, Virginia 22303-1499, and at any adjournments thereof for the purposes specified in the accompanying notice of meeting (the "Meeting").

The mailing address of VSE's principal executive office is 2550 Huntington Avenue, Alexandria, Virginia 22303-1499. VSE's telephone number is (703) 960-4600. This proxy statement and the accompanying notice and form of proxy are first being sent or given to the holders of VSE common stock, par value \$.05 per share, (the "stockholders") on or about March 30, 2007.

The close of business on March 19, 2007, is the record date for the determination of stockholders entitled to notice of, and to vote at, the Meeting. Holders of a majority of VSE's outstanding common stock, par value \$.05 per share (the "Stock" or "VSE Stock"), as of March 19, 2007, must be present at the Meeting, either in person or represented by proxy, to constitute a quorum for the transaction of business at the Meeting. As of the close of business on March 19, 2007, there were 2,412,793 shares of Stock outstanding and approximately 250 stockholders of record. Each stockholder is entitled to one vote for each share of Stock held of record as of the close of business on March 19, 2007, on all matters which may be submitted to the stockholders at the Meeting.

Voting and Revocation of Proxies

All Stock represented by valid proxies will be voted at the Meeting in accordance with the directions on the proxies. If no direction is indicated on a proxy, the Stock represented thereby will be voted as recommended by the Board, including for (a) the election as VSE directors of the seven nominees listed below under Proposal No. 1, and (b) the ratification of the appointment of Ernst & Young LLP as VSE's independent certified public accountants for the fiscal year ending December 31, 2007, as discussed below under Proposal No. 2.

Votes cast by proxy or in person at the Meeting will be tabulated by the inspectors of election appointed for the Meeting. The inspectors of election will treat abstentions as Stock that is present and entitled to vote for purposes of determining the presence of a quorum, but as unvoted for purposes of determining the approval of any matter submitted to stockholders for a vote. If a broker indicates on a proxy that such broker does not have discretionary authority as to certain Stock to vote on a particular matter, such shares will be included in determining the presence of a quorum, but will not be entitled to

be voted with respect to such matter.

- 1 -

As of the date of this proxy statement, the Board does not intend to present, and has not been informed that any other person intends to present, any matter for action at the Meeting other than those matters specifically referred to herein. If, however, any other matters are properly presented to the Meeting for action, the proxy holders will vote the proxies, which confer authority on such holders to vote on such matters, in accordance with their best judgment. The persons named as attorneys-in-fact in the proxies are VSE officers.

A stockholder returning a proxy to VSE may revoke it at any time before it is exercised by granting a later proxy with respect to the same Stock or by communicating such revocation in writing to VSE's secretary. In addition, any stockholder who has executed a proxy but attends the Meeting may cancel a previously given proxy by voting in person whether or not the proxy has been revoked in writing.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended ("Exchange Act"), requires VSE officers and directors and persons who own more than 10% of the VSE Stock to file reports of ownership and changes in ownership with the SEC. Such officers, directors and stockholders are required by SEC regulations to furnish VSE with copies of all such reports that they file. Based solely on a review of copies of reports filed with the SEC and written representations by certain officers and directors, VSE believes that all VSE officers, directors and stockholders subject to the reporting requirements of Section 16(a) filed their reports on a timely basis during 2006.

Board of Directors, Committees, and Corporate Governance

There are currently seven members of our Board. Except for Mr. Ervine, who serves as VSE's Chairman, Chief Executive Officer, President and Chief Operating Officer, all of our current directors are "independent" as defined by the applicable rules of The NASDAQ Stock Market, Inc. ("NASDAQ"). The independent directors regularly have the opportunity to meet without Mr. Ervine in attendance. During 2006, there were six regular Board meetings and two special Board meetings, and no director attended less than 75% of the aggregate of (a) the total number of Board meetings (in person or by telephone) and (b) meetings of Board committees on which he or she served (during the period that he or she served). VSE does not have a specific policy regarding attendance at the annual stockholders meeting. All directors, however, are encouraged to attend if available, and VSE tries to ensure that at least one independent director attends the annual stockholder meeting and is available to answer stockholder questions. Five directors, including four independent directors, attended last year's annual stockholders meeting.

The Board has an Audit Committee, a Nominating and Corporate Governance Committee, a Compensation Committee, a Finance Committee, and a Planning Committee. The current charters of the Audit Committee, Nominating and Corporate Governance Committee, and Compensation Committee are available on VSE's Internet site, www.vsecorp.com.

Audit Committee. The primary purpose of the Audit Committee is to oversee VSE's accounting and financial reporting processes and the audits of VSE's financial statements. The Audit Committee is directly responsible for, among other things, the appointment, compensation, retention and oversight of the Company's independent auditors.

During 2006, the Audit Committee was composed of Mr. Lafond (Chairman), Mr. Kendall and Ms. Wachtel. All of the Audit Committee members during the past fiscal year are independent in accordance with applicable rules of the SEC and NASDAQ. Each member is able to read and understand fundamental financial statements, including the Company's balance sheet, income statement and cash flow statement. The Board has determined that Mr. Lafond is an "audit committee financial expert" as defined in Exchange Act Regulation S-K Item 401(h). During 2006, the Audit Committee met six times.

- 5 -

Compensation Committee. The primary purpose of the Compensation Committee is to oversee VSE's compensation structure, to review and provide guidance to the Board with respect to the compensation of VSE's officers and directors, including the compensation of the Chief Executive Officer and other executive officers, to review and provide guidance with respect to employment agreements, to administer certain compensation plans including stock option, restricted stock, and deferred compensation plans, and to perform such other duties and responsibilities as are consistent with its charter. During 2006, the Compensation Committee was composed of General Ross (Chairman), Mr. Kendall and Mr. Koonce. Each of the committee members is independent in accordance with applicable NASDAQ rules. During 2006, the Compensation Committee met six times, as well as in executive sessions.

Nominating and Corporate Governance Committee. The primary purpose of the Nominating and Corporate Governance Committee is to make recommendations to the Board with respect to nominees to be proposed for election as directors and with corporate policies regarding, among other things, business conduct, securities trading, indemnification of VSE officers and directors, and conflicts of interest involving VSE officers, directors, and employees. During 2006 the Committee was composed of Mr. Kendall (Chairman), Mr. Lafond, Mr. Osnos, Mr. Koonce, General Ross and Ms. Wachtel, all of whom are independent in accordance with applicable NASDAQ rules. During 2006, the Nominating and Corporate Governance Committee met two times.

Finance Committee. The Finance Committee is primarily concerned with making recommendations to the Board with respect to VSE's capitalization and long-term funding requirements. During 2006 the Committee was composed of Mr. Osnos (Chairman), Mr. Koonce and Ms. Wachtel. During 2006, the Finance Committee met two times.

Planning Committee. The Planning Committee is primarily concerned with making recommendations to the Board with respect to business development opportunities, including acquisitions. The Committee is composed of Mr. Ervine (Chairman), Mr. Lafond, Mr. Koonce, General Ross and Ms. Wachtel. During 2006, the Planning Committee met three times.

Director Nominations and Qualifications. Stockholders may recommend persons to be nominated for election as directors of VSE at the annual meeting of stockholders. To be considered, such recommendation must be submitted in accordance with VSE's by-laws and must be received in writing by the secretary of VSE no later than 90 days before the date in the current year which corresponds to the date on which the annual meeting was held during the immediate prior year. (Nominations for the year 2008-2009 should be received by the secretary no later than January 31, 2008.) Such recommendation shall be accompanied by the proposing stockholder's name, evidence that such stockholder is a beneficial owner of VSE Stock, and the candidate's name, biographical data and qualifications.

The policy of the Nominating and Corporate Governance Committee is to consider properly submitted stockholder nominations for candidates for Board membership as described below. In evaluating such nominations, the Nominating and Corporate Governance Committee seeks to achieve a balance of knowledge, experience, and capability on the Board and to address the membership criteria discussed below.

Under these criteria for Board nominations, Board members should have the highest professional and personal ethics and values, consistent with longstanding VSE values and standards. They should have broad experience at the policy-making level in business, government, education, technology or public interest. They should be committed to enhancing stockholder value and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on experience. Their service on other boards of public companies should be limited to a number that permits them, given their

- 6 -

individual circumstances, to perform responsibly all director duties. Each director must represent the interests of all stockholders.

The Nominating and Corporate Governance Committee utilizes a variety of methods for identifying and evaluating nominees for director. Such Committee periodically assesses the appropriate size of the Board, and whether any vacancies on the Board are expected due to retirement or otherwise. If vacancies are anticipated, or otherwise arise, the Nominating and Corporate Governance Committee will consider various potential candidates for director. Candidates may come to the attention of the Nominating and Corporate Governance Committee through current Board members, professional search firms, stockholders or other persons. These candidates are evaluated at regular or special meetings of the Nominating and Corporate Governance Committee and may be considered at any point during the year. As described above, the Nominating and Corporate Governance Committee will consider properly submitted stockholder nominations for candidates for the Board. Following verification of the stockholder status of persons proposing candidates, recommendations will be aggregated and considered by the Nominating and Corporate Governance Committee at a regularly scheduled meeting. If any materials are provided by a stockholder in connection with the nomination of a director candidate, such materials will be forwarded to the Nominating and Corporate Governance Committee. Such Committee also will review materials provided by professional search firms or other parties in connection with a nominee who is not proposed by a stockholder. The Committee has not in the past retained any third party to assist in identifying nominees for Board membership.

Lead Independent Director

The Board has established the position of Lead Independent Director. The Lead Independent Director assists the Chairman and the other Board members in assuring effective corporate governance. Mr. Osnos, who serves as Chairman of the Finance Committee, has been appointed to serve as the Lead Independent Director.

Communications with the Board

Individuals may communicate with the Board by submitting an e-mail to the VSE Board at board@vsecorp.com. All directors have access to this e-mail address. Communications that are intended specifically for non-employee directors should be sent to the e-mail address above to the attention of the Chairman of the Nominating and Corporate Governance/Finance Committee. Communications to the Board by mail can be addressed to The Board of Directors or a particular Board member c/o VSE Corporation, 2550 Huntington Avenue, Alexandria, Virginia 22303-1499.

Please refer to "Compensation Discussion and Analysis-Narrative to Summary Compensation Table" for information on executive officer employment agreements and to "Compensation Discussion and Analysis-Compensation Committee Interlocks and Insider Participation" for additional information about directors and nominees for director.

The Board unanimously recommends that stockholders vote "for" the election of each of the seven persons nominated to serve as a director of VSE for the ensuing year.

Proposal No. 2

APPOINTMENT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Based on the recommendation of its Audit Committee, the Board has appointed the firm of Ernst & Young LLP to be VSE's independent certified public accountants for the year ending December 31, 2007, and recommends to stockholders that they vote for ratification of that appointment. Although not required to do so, the Board has determined that it would be desirable to request stockholders' approval of this appointment. The ratification of the appointment of VSE's independent certified public accountants will require the affirmative vote by the holders of a majority of the outstanding Stock present in person or represented by proxy at the Meeting. If such approval is not received, the Board will reconsider the appointment.

In 2006 and 2005 Ernst & Young LLP services included an examination of VSE's consolidated financial statements, the financial statements of certain benefit plans, and reviews of the consolidated financial statements included in VSE Form 10-Qs filed with the SEC for each of the quarters ended March 31, June 30, and September 30.

Ernst & Young LLP billed VSE for professional services rendered for the years ended December 31, 2006, and December 31, 2005, as follows:

2006	2005
----	----

Audit fees (1)	\$288,310	\$243,269
Audit-related fees (2)	25,000	23,900
Tax fees (3)	11,310	13,835
All other fees (4)	33,500	7,000

-
- (1) Includes fees and expenses related to the fiscal year audit and to interim reviews, notwithstanding when the fees and expenses were billed.
- (2) Includes fees and expenses for services rendered from January through December of the fiscal year, notwithstanding when the fees and expenses were billed. The 2006 amount includes fees for the audit of the 2005 employee benefit plan (\$20,000), as well as fees related to the S-8 filed in May 2006 (\$5,000). The 2005 amount is related to the audit of the employee benefit plan (\$20,000) and the consultation for the SEC comment letter received in April 2005 (\$3,900).

- 8 -

- (3) Includes fees and expenses for tax advisory service.
- (4) Includes the work performed in 2006 to assist in the Company's preparation for the implementation of Sarbanes Oxley Section 404. In 2005 the fees were for services related to the 2006 implementation of FAS 123(R).

The Audit Committee approves in advance all audit and non-audit services provided by the independent auditors prior to their engagement with respect to such services. The Audit Committee has delegated to the Chairman of the Audit Committee the authority to pre-approve additional audit-related and non-audit services not prohibited by law to be performed by VSE's independent auditors and associated fees up to a maximum for any one non-audit service equal to the lesser of \$30,000 or 25% of the audit fees for VSE's most recent completed fiscal year, provided that the Chairman shall report any decisions to pre-approve such audit-related or non-audit services and fees to the full Audit Committee at its next regular meeting. The Audit Committee approved in advance all of the audit and non-audit services provided by the independent auditors in fiscal 2006 and 2005.

A representative of Ernst & Young LLP is expected to attend the Meeting, will have an opportunity to make a statement, if he or she desires to do so, and will be available to respond to appropriate questions.

The Board unanimously recommends that stockholders vote "for" the proposal to ratify the appointment of Ernst & Young LLP to serve as VSE's independent certified public accountants for the fiscal year ending December 31, 2007.

AUDIT COMMITTEE REPORT

The Audit Committee (the "Committee") is composed of three non-employee directors (Messrs. Lafond and Kendall and Ms. Wachtel), each of whom is considered an "independent" director for the purposes of the applicable rules of NASDAQ and the SEC. The Committee's responsibilities are set forth in its charter, a copy of which is available on VSE's Internet site, www.vsecorp.com. The Board and the Committee believe that the Committee members are and were at the time of the actions described in this report "independent" directors as independence is defined by NASDAQ Rule 4200(a)(15).

The Committee has reviewed and discussed with management VSE's audited consolidated financial statements as of and for the year ended December 31, 2006, and has discussed with VSE's independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended, issued by the Auditing Standards Board of the American Institute of Certified Public Accountants.

The Committee has received and reviewed the written disclosures and the letter from the independent auditors required by Independence Standard No. 1, Independence Discussions with Audit Committees, as amended, issued by the

Independence Standards Board, and has discussed with the auditors the auditors' independence and considered whether the provision of non-audit services by the auditors is compatible with maintaining their independence.

Based on the foregoing reviews and discussions, the Committee recommended to the Board that the above referenced consolidated financial statements be included in VSE's Annual Report on Form 10-K for the year ended December 31, 2006, for filing with the SEC.

COMPENSATION DISCUSSION AND ANALYSIS

Overview of Compensation Program, Philosophy, and Objectives

Under the supervision of the Compensation Committee of the Board, VSE has established compensation policies designed to attract and retain qualified executives and to link total compensation to corporate goals. The key elements of VSE executive compensation are base salary, a performance bonus incentive plan, and a long-term incentive plan.

The Committee oversees VSE's compensation structure. The Committee makes all compensation decisions regarding the Chief Executive Officer, and it reviews and approves the compensation of all other company executives and officers. It reviews employment agreements, administers compensation plans including stock option, restricted stock, and deferred compensation plans. The Committee provides recommendations to the Board with respect to director compensation, and it performs such other duties and responsibilities as are consistent with its charter. Actions of the Committee are subject to Board approval. If approval is not received, the Committee will reconsider the action.

Under the supervision of the Committee, VSE seeks to establish a compensation structure that is competitive, reasonable, and performance-based. "Competitive" means salaries and benefits sufficient to attract and retain the executives and employees VSE requires, while maintaining labor rates that permit the Company to compete effectively in the markets we serve. We test for competitive labor rates by measuring our prices for services against the prices of competitors and by monitoring our ability to successfully recruit and retain employees. We also measure our salaries against compensation surveys for similarly situated executives and employees in companies having substantially comparable revenues, margins, and market capitalization. "Reasonable" means compensation that is consistent with the pay and benefits provided by other companies in our industry, reimbursable under cost-type government contracts, and perceived as "fair" relative to formal and informal benchmarks such as internal pay scales, financial results, and public perception. "Performance-based" means that compensation is earned, measured, and tested against standards of financial growth and profitability.

The executive officers of VSE are the Chief Executive Officer, the Chief Financial Officer, the Chief Administrative Officer, the President of each of VSE's operating groups, and each Executive Vice President appointed by the Board. Currently, VSE has seven executive officers, including the five executive officers named below under the heading "Summary Compensation Table." For compensation oversight, the officers of VSE include the senior officers of VSE's wholly owned subsidiary Energetics Incorporated.

Role of Executive Officers in Compensation Decisions

At the end of the fiscal year, the Committee meets in executive session to review the performance and fix the compensation of the Chief Executive Officer. The Committee also reviews and approves the compensation of all other executives and officers based on recommendations submitted by the CEO. The Committee can exercise its discretion in approving, disapproving, or modifying any recommended salary increases or proposed awards to executives or other officers.

In submitting recommendations to the Committee with respect to the compensation of other VSE executives and officers, the CEO evaluates the performance and recommends salary increases, bonuses, and all other elements of compensation affecting the executives, subject to limitations established by

written compensation plans and compensation benchmarks approved by the Committee. The CEO also considers evaluations and recommendations made by other executives in submitting recommendations to the Committee with respect to other officers.

Review of Executive Compensation

During 2006 the Committee engaged PricewaterhouseCoopers LLP to provide consulting services initially with respect to designing procedures for making performance-based awards under the 2006 VSE Corporation Restricted Stock Plan and subsequently to perform a compensation analysis for VSE executive officers and directors. The Committee met and conferred with PricewaterhouseCoopers representatives numerous times during 2006 in both executive sessions and in sessions including certain executive officers.

In making compensation decisions, the Committee measured each element of total compensation against a peer group of publicly traded companies developed with PricewaterhouseCoopers. The peer group, which will be periodically reviewed and updated by the Committee, consists of companies which the Committee believes are substantially representative based on industry group, market capitalization, revenues, and profit margin. These companies are as follows:

- * Allied Defense Group, Inc.
- * Analex Corporation
- * Astronics Corporation
- * Dynamics Research Corporation
- * ENGlobal Corporation
- * Essex Corporation
- * Hawk Corporation
- * Pemco Aviation Group, Inc.
- * Sparton Corporation
- * SYS
- * Todd Shipyards Corporation

For comparison purposes, VSE's annual revenues are above the median revenues of the peer group. Because of variation among the companies comprising the peer group, PricewaterhouseCoopers also developed blended consensus data based on published survey data, proxy statement title match data, and top five highest paid data.

The Committee has no pre-established policy or target for the allocation of compensation between either cash and non-cash or short-term and long-term incentive compensation. However, based on the compensation philosophy and objectives discussed above, the Committee intends that a significant percentage of total compensation for executives and officers should be at risk and subject to incentives based on achieving short and long-term performance-based goals.

Executive Compensation Components

For 2006 the principal components of compensation for named executive officers were base salary, performance-based incentive compensation, long-term incentive compensation, deferred supplemental compensation, and retirement and other benefits generally available to all employees.

Base Salary

VSE provides named executive officers and other employees with base salary to compensate them for services rendered during the fiscal year. Base salaries for the named executive officers are determined for each executive based on his or her position and responsibility, experience and education, internal pay scales, market survey data, and employment agreement where applicable. Base salaries for executives are generally expected to range between the 25th and 50th percentile of blended compensation survey data. Base salaries

for executives, including the base salary of the CEO, are reviewed by the Committee in executive session at the end of each fiscal year and include any recommendations made by the CEO with respect to the other executive officers. Subject to Board approval, the Committee recommends changes to executive base

salary which are implemented at the beginning of the next fiscal year.

Based on its review, including the PricewaterhouseCoopers benchmark data referred to above, the Committee approved increases in the base salaries of the named executive officers in 2007 at an annual rate of 3.5% to compensate for wage inflation.

Performance-Based Incentive Compensation

During 2004 the Committee approved a performance bonus plan based on achieving annual financial results in excess of financial thresholds established by the Committee and submitted to the Board at the beginning of each year. The goals consist principally of revenue and pretax income targets for operating group executives, and return on equity for corporate staff, corporate officers, and corporate executives, including the Chief Executive Officer and the Chief Financial Officer. To participate in the bonus program, an executive must be an employee during the fiscal year that the bonus is earned and at the time the bonus is distributed.

The Committee establishes a pretax profit performance goal threshold for operating groups based on projected revenues and expected pretax margins. Expected pretax margins are based on prior year financial performance adjusted for contract renewals and extensions, new contract awards, contract terminations, and other financial opportunities and changes identified by the Committee. 50% of the pretax profit in excess of the performance goal threshold is contributed to a performance bonus pool. After audited financial results for the year become available, approximately 20% of the performance bonus pool is allocated to operating group executives, not to exceed 100% of individual executive base salaries.

Performance bonuses for corporate executives range from 2% of base salary for achieving a return on equity of 12% to 100% of base salary for achieving a return on equity of 25% or higher.

For 2006 the Committee approved aggregate performance bonuses of about \$3,700,000 (representing about 100% of the amount available under the plan) payable to about 200 employees, including \$1,062,000 paid to the named executive officers under the plan. Amounts paid to the named executive officers are reported in the Summary Compensation Table below under the heading "Non-equity Incentive Plan Compensation."

Energetics Discretionary Bonus Plan

In addition to performance bonus amounts earned under the performance bonus plan described above, VSE's subsidiary Energetics maintains a discretionary bonus plan for its employees. Amounts contributed to the discretionary bonus plan, substantially equal to a percentage of total employee salaries, are recommended by Energetics' CEO and approved by its board of directors based on Energetics' success in bidding and winning new contracts, managing costs, and achieving pretax profitability. Energetics' aggregate bonus pool in 2006 was about \$813,000, including the amounts earned under the performance bonus plan and the discretionary plan. The bonus pool was distributed to about 70 Energetics employees pursuant to individual evaluations based on objective and subjective measures. Energetics' bonuses are capped at 60% of annual salary and are paid in February after obtaining audited financial

- 12 -

results for the prior year. Mr. Reed's bonus under the plan was recommended by VSE's CEO and approved by the Committee.

Long-Term Incentive Compensation

In recent years VSE executives and other officers have received, in addition to cash, equity-based compensation for their services to VSE. The equity compensation was provided in the form of options to purchase VSE Stock granted under VSE's 2004 Stock Option Plan approved by stockholders on May 3, 2004, and substantially similar predecessor plans. In December 2005, VSE's Board discontinued awarding options to purchase VSE Stock. Options outstanding as of December 30, 2005, were not affected by this Board action. In lieu of long-term incentive compensation for 2006, the Committee recommended that the Board authorize an increase in VSE's contribution to the Deferred Supplemental

Compensation Plan for 2006. See "Deferred Supplemental Compensation" discussion below.

The Board believes that compensating executives with restricted VSE Stock, rather than stock options, is a more appropriate and effective form of equity-based compensation. As with the former use of stock options, the use of restricted stock is intended to foster a long-term focus on VSE performance and to provide our executives with a means to establish an equity stake in VSE which will, in turn, align their interests with those of our stockholders.

VSE's 2006 Restricted Stock Plan was approved by the Board on February 9, 2006, and by our stockholders on May 2, 2006. During 2006 the Committee engaged PricewaterhouseCoopers to provide consulting services with respect to designing procedures for making performance-based awards under VSE's Restricted Stock Plan, and in December 2006, the Committee adopted written procedures for making these awards. The awards under the Restricted Stock Plan will be subject to Committee authorization based on audited financial results, including total compensation costs, reasonableness of total employee compensation, and other factors determined by the Committee and Board.

In general, a dollar-denominated award equal to a percentage of a participant's base salary can be earned under the Restricted Stock Plan based on the return on equity achieved by VSE for the prior fiscal year. The awards range from 2.5% of base salary for a 12% return on equity to 60% of base salary for a return on equity of 25% or higher. Each award vests in three equal annual installments beginning after the audited financial results for the prior year are determined. As each third of the dollar-denominated award vests, the award is converted into restricted VSE Stock based on the fair market value of VSE Stock at the date of conversion. The restricted stock is subject to a two-year holding period and to other restrictions on sale.

The Committee may, in its sole discretion, reduce or totally eliminate an award to the extent it determines that such reduction or elimination is appropriate under facts and circumstances the Committee deems relevant.

Deferred Supplemental Compensation

VSE has a non-qualified, non-contributory Deferred Supplemental Compensation Plan for all VSE officers. The plan provides, at the Board's discretion, for an annual contribution to the plan not to exceed 12% of VSE's consolidated net income for the year. Each officer's allocation from the annual contribution bears the same percentage to the annual contribution as that officer's salary bears to total annual officer salaries.

- 13 -

For 2006 an annual contribution of 10% of VSE's consolidated net income (approximately \$768,000) was authorized and allocated to 28 participant accounts, including about \$229,000 allocated to accounts for the named executive officers. Two percentage points of the 10% contribution rate authorized for 2006 represented a contribution for the discontinued stock option plan discussed above in "Long-Term Incentive Compensation."

Benefits under the plan are payable to participants on retirement or resignation, subject to a vesting schedule, non-competition agreement, and other plan provisions, or in the event of a change of control of VSE. Amounts contributed to the plan on behalf of the named executive officers are included in the Summary Compensation Table under the heading "All Other Compensation."

Retirement and Other Benefits

All VSE officers are entitled to participate in company fringe benefit programs, including the VSE Employee ESOP/401(k) Plan, which is an IRS qualified plan available to all eligible employees. Effective April 1, 1999, employer contributions to the ESOP portion of the plan were discontinued and replaced by VSE matching contributions to the 401(k) portion of the plan based on employee 401(k) deferrals.

During 2006 VSE paid a 401(k) matching contribution equal to 50% of the first 6% of employee pay deferred into the employee's 401(k) account, subject to a vesting schedule. Effective January 1, 2007, management recommended and the Committee and Board approved an amendment to the plan adopting a "safe harbor" formula for determining the matching contribution. Per the amendment, VSE

increased its matching contribution rate to 100% of the first 3% of employee pay deferred into the employee's 401(k) account, plus 50% of the next 2% of employee pay deferred, with all such contributions fully vested when made.

Energetics maintains an IRS qualified profit sharing plan for its employees, including Mr. Reed. All Energetics employees who have completed two years of service are members of the profit sharing plan. At the discretion of its board of directors, Energetics makes contributions to the plan equal to about 10% of eligible employee compensation. Eligible employee compensation under the profit sharing plan during 2006 was capped at \$220,000 per year.

Amounts contributed to the VSE ESOP/401(k) Plan on behalf of the named executive officers are included in the Summary Compensation Table under the heading "All Other Compensation."

Perquisites and Other Personal Benefits

VSE does not provide any of its executives, including the named executive officers, with perquisites or other personal benefits having a total annual value in excess of \$10,000. The Committee periodically reviews the levels of perquisites and other personal benefits provided to the named executive officers.

The Company has entered into employment agreements with specified employees, including the named executive officers (see Summary Compensation Table discussion below). The employment agreements are designed to promote stability and continuity of senior management. Information regarding applicable payments under these agreements for the named executive officers is also summarized below under the caption "Potential Payments on Termination or Change of Control."

Tax and Accounting Implications

Deductibility of Executive Compensation

As part of its role, the Committee reviews and considers the deductibility of executive compensation under Section 162(m) of the Internal Revenue Code which provides that companies may not deduct compensation of more than \$1,000,000 that is paid to certain individuals. VSE believes that compensation paid under its incentive plans is generally fully deductible for federal income tax purposes. However, in certain situations, the Committee may approve compensation that will not meet these requirements to ensure competitive levels of total compensation for its executive officers. For 2006, VSE believes that all compensation paid to the named executive officers is deductible for federal income tax purposes, except for deferred supplemental compensation contributions which may not be deducted until distributed in accordance with IRS regulations.

Nonqualified Deferred Compensation

In 2004, the American Jobs Creation Act of 2004 became law changing the tax rules applicable to nonqualified deferred compensation arrangements. While the final regulations have not become effective yet, the company believes it is operating in good faith compliance with the statutory provisions which were effective January 1, 2005. A more detailed discussion of the VSE's nonqualified deferred compensation plan is provided above under the heading "Deferred Supplemental Compensation."

Accounting for Stock-Based Compensation

Beginning on January 1, 2006, the Company began accounting for stock-based payments in accordance with the requirements of FASB Statement 123(R).

Employment Agreements

Pursuant to an agreement dated as of October 21, 1998 (the "Agreement"), Donald M. Ervine serves as the Chief Executive Officer of VSE at a base salary

in 2007 of \$337,000 per annum. Mr. Ervine is employed for a term ending on January 1, 2008, subject to automatic extensions for successive one-year periods unless notice to terminate is given by Mr. Ervine at least 90 days prior to the expiration of the term or any such one-year extension of the term. Mr. Ervine's base salary is subject to review in January of each year, provided that the base salary shall not be less than \$254,000 per annum. Mr. Ervine is also eligible to receive an annual performance bonus each year as determined by the Board or its Compensation Committee. Mr. Ervine's employment may be terminated by the Board for willful and gross misconduct and in the case of death or disability which prevents Mr. Ervine from substantially fulfilling his duties for a period in excess of six months. If Mr. Ervine's employment is terminated because of death or illness or disability, he or his beneficiary, as the case may be, will be paid his annual base salary then in effect for one full year from the date of death or disability. Mr. Ervine's employment may also be terminated without cause on 60 days prior notice and on payment of a lump sum severance compensation payment equal to two times his annual base salary then in effect. The Agreement also provides that Mr. Ervine will be nominated as a director and elected Chairman of the Board during his employment term. If a Change of Control of VSE, as defined, occurs, Mr. Ervine may terminate the Agreement and will be entitled to a lump sum severance compensation payment equal to three times his annual base salary then in effect.

The Agreement includes undertakings by Mr. Ervine regarding exclusive services and business opportunities during the term of the Agreement, covenants regarding the safeguarding and return of confidential data and the non-solicitation of employees for a two-year period following termination, and a covenant not to be involved, directly or indirectly, in a business enterprise that competes with VSE during the term of his employment and for two-year period thereafter. Mr. Ervine also agrees that VSE is entitled to appropriate equitable remedies, including specific performance and injunctive relief if he breaches any of the two-year post-termination covenants. Mr. Ervine agrees not to enter into any agreement, either written or oral, which may conflict with this Agreement, and he authorizes VSE to make known the terms of the Agreement regarding exclusive services, confidential data, business opportunities, non-solicitation, and termination, to any person, including future employers.

Pursuant to separate agreements entered into in 1997 and expiring on January 1, 2008, Mr. Knowlton and Mr. Weber each serve in his executive officer's capacity, subject to automatic extensions for successive one-year periods unless notice to terminate is given by the officer at least 90 days prior to the expiration of the then current term. The terms and conditions in the executive officer agreements are similar to those of Mr. Ervine's 1998 agreement except that (a) each of the executive officers is employed at a minimum base salary equal to the executive officer's annual base salary in effect on the date the agreement was signed, subject to annual and special reviews, (b) each of the executive officers will be reappointed to serve in the executive officer's current or comparable capacity, (c) in the event of termination without cause, each executive officer's lump sum severance compensation payment shall equal his annual base salary then in effect, and (d) in the event of a Change of Control of VSE, as defined, each executive officer may terminate the agreement and will be entitled to a lump sum severance compensation payment equal to two times his annual base salary then in effect.

- 17 -

Pursuant to separate agreements entered into in 2004 and expiring on December 31, 2007, Mr. Dacus and Mr. Loftus each serve in his executive officer's capacity, subject to automatic extensions for successive one-year periods unless notice to terminate is given by either VSE or the officer at least 90 days prior to the expiration of the then current term. The terms and conditions in the executive officer agreements are similar to those of Mr. Ervine's 1998 agreement except that (a) each of the executive officers is employed at a minimum base salary equal to the executive officer's annual base salary in effect on the date the agreement was signed, subject to annual and special reviews, (b) each of the executive officers will be reappointed to serve in the executive officer's current or comparable capacity, (c) in the event of termination without cause, each executive officer's lump sum severance compensation payment shall equal his annual base salary then in effect, and (d) in the event of a Change of Control of VSE, as defined, each executive officer may terminate the agreement and will be entitled to a lump sum severance compensation payment equal to one times his annual base salary then in effect.

Pursuant to an agreement dated as of February 10, 2005, James E. Reed

serves as the President of VSE's subsidiary Energetics. Mr. Reed is employed for a term ending on January 31, 2008, subject to automatic extensions for successive one-year periods unless notice to terminate is given by either Energetics or Mr. Reed at least 60 days prior to the expiration of the term or any such one-year extension of the term. Mr. Reed's base salary is subject to review in July of each year, provided that the base salary shall not be less than \$175,000 per annum. Mr. Reed is also eligible to receive an annual performance bonus each year as determined by the Energetics' board of directors in consultation with the Board and Compensation Committee. The terms and conditions of Mr. Reed's agreement are similar to those of Mr. Ervine's 1998 agreement except that (a) Mr. Reed will be reappointed to serve in his current or comparable capacity, (b) in the event of termination without cause, Mr. Reed's lump sum severance compensation payment shall equal his annual base salary then in effect, and (c) in the event of a Change of Control of VSE, as defined, Mr. Reed may terminate the agreement for good reason, as defined, and will be entitled to a lump sum severance compensation payment equal to his annual base salary then in effect.

Notes to Grants of Plan-Based Awards Table

The amounts reported above represent potential payments to the named executive officer under VSE's Restricted Stock Plan. This plan is discussed above under the caption "Executive Compensation Components-Performance-Long-Term Incentive Compensation."

Narrative to Grants of Plan-Based Awards Table

VSE has a Restricted Stock Plan approved by stockholders on May 2, 2006. Pursuant to procedures adopted by the Board, employees granted an Award will earn an amount equal to a graduated percent of annual salary based on VSE's return on equity for the subsequent fiscal year as follows: threshold 2.5% of salary, target 10% of salary, and maximum 60% of salary. Return on equity is determined on completion of VSE's annual financial audit, and the date of Award

occurs on the first business day of the subsequent month. Vesting of each Award will occur one-third on the date of Award and one-third on each of the next two anniversaries of the date of Award. On vesting, the dollar amount of the Award vested is converted into shares of restricted VSE Stock based on the fair market value (closing market price) of VSE Stock as of each vesting date. Certificates will bear a restrictive legend prohibiting the sale, transfer, pledge and assignment of such shares for a two-year period commencing on each vesting date.

Awards and payment under the Restricted Stock Plan are subject to Compensation Committee authorization based on audited financial results, including all compensation costs, reasonableness of total employee compensation,

- 19 -

and other factors as determined by the Compensation Committee and Board. The date of Award, vesting date, and pricing of the vested amount of the Award are based on the date audited financial results become available. Notwithstanding the determination of the amount of an employee Award pursuant to the procedures indicated above, the Committee may, in its sole discretion, reduce the amount of or totally eliminate an Award to the extent the Committee determines that such reduction or elimination is appropriate under facts and circumstances as the Committee deems relevant.

Pension Benefits

VSE does not provide pension arrangements or post-retirement health coverage for executives and employees. VSE sponsors an Employee ESOP/401(k) Plan and Energetics sponsors a Profit Sharing Plan; both plans are IRS-qualified, defined contribution, money-purchase plans. VSE also has a nonqualified deferred compensation plan as discussed below.

Narrative to Nonqualified Deferred Compensation Table

VSE has a non-qualified, non-contributory Deferred Supplemental Compensation Plan for all VSE officers. The plan was adopted by the Board in 1994 as the successor to a predecessor plan adopted in 1985, which succeeded a plan originally established in the mid-1970s.

- 22 -

The current plan provides, at the Board's discretion, for an annual contribution to the plan not to exceed 12% of VSE's consolidated net income for the year. Each officer's allocation from the annual contribution bears the same percentage to the annual contribution as that officer's salary bears to total annual officer salaries. For 2006 an annual contribution of 10% of VSE's consolidated net income (approximately \$768,000) was authorized and allocated to 28 participant accounts.

Benefits under the plan are payable to the participant on retirement or resignation, subject to a vesting schedule, non-competition agreement, and other plan provisions, or in the event of a change of control of VSE. VSE contributions to the plan are irrevocable and shall be used to pay benefits under the plan, subject to the claims of the general creditors of VSE.

VSE contributions to the plan are deposited in a plan trust. VSE invests the plan trust assets in an account managed by Mellon Private Wealth Management. The managed account contains investments in a diversified portfolio of

individual company equity securities and in several mutual funds, including Mellon Bond Fund Class M Shares, Mellon Small Cap Stock Fund (MPSSX) Class M Shares, Mellon Mid Cap Stock Fund (MPMCX) Class M Shares, Mellon International Fund (MPITX) Class M Shares, and a Money Market Demand Account.

Potential Payments on Termination or Change of Control

The following table sets forth potential payments to our executive officers on termination of employment with VSE or a change of control of VSE. The amounts shown assume that such termination or termination on change of control was effective as of December 31, 2006, and are estimates of the amounts that would be paid to the executives on their termination. The actual amounts to be paid can only be determined at the time of such executive's separation from VSE or any of VSE's subsidiaries.

Notes to Potential Payments on Termination or Change of Control Table

Table excludes information with respect to contracts, agreements, plans, or arrangements to the extent they (a) do not discriminate in scope, terms, or operation in favor of executive officers and that are available generally to all salaried employees-for example, qualified benefit plan distributions and payment for unused vacation pay, and (b) have no vested amounts payable as of December 31, 2006-for example, benefits under the new Restricted Stock Plan adopted in 2006.

- 23 -

Narrative to Potential Payments on Termination or Change of Control Table

Payments Made On Termination

On termination of employment with VSE or any of VSE's subsidiaries, a named executive officer is entitled to receive amounts earned during his term of employment. Such amounts include:

- * salary through date of termination
- * unused vacation pay
- * reimbursement for company business and travel expenses.

The executive also retains a vested interest in and is entitled to receive payment in accordance with respective plan documents and other applicable procedures, restrictions (such as termination-for-cause), and expiration dates:

- * ESOP/401(k) account
- * Profit Sharing Plan account (Energetics only)
- * DSC Plan account
- * Stock Options (must be exercised within three months of termination, and within one year if terminated pursuant to a lay off, not to exceed the

Stock Option termination date)

* Restricted Stock.

The executive officer is also entitled to continue participation in VSE's group health plans for a period of 18 months (COBRA continuation coverage) following termination on payment of 102% of the monthly premium charged to VSE for such coverage. VSE has no executive-only health benefit plans.

In the event of involuntary termination without cause, VSE executives are eligible for up to four months of outplacement assistance services having an estimated value of about \$6,250.

Payments Made On Retirement

In the event of the retirement of a named executive officer, in addition to the items identified above:

* Vested Stock Options may be exercised within three years of the date of retirement, not to exceed the Stock Option termination date.

Payments Made On Death or Disability

Pursuant to employment agreements with each named executive officers, in the event of the death or disability for any period of six consecutive months of a named executive officer, in addition to the benefits listed under the headings "Payments Made On Termination" and "Payments Made On Retirement" above, the named executive officer (or designated beneficiary) will be paid the executive's base salary then in effect for one full year following the date of death or disability. In addition, vested Stock Options may be exercised within one year of the date of death or termination due to disability, not to exceed the Stock Option termination date.

- 24 -

Payments Made On Change of Control

VSE has entered into an employment agreement with each of the named executive officers. Pursuant to these agreements, if a change of control of VSE occurs, the executive may terminate the employment agreement on 30 days' notice. If an executive's employment is terminated following a change of control, in addition to the benefits listed above under the heading "Payments Made On Termination," the executive officer will receive:

- * a lump sum payment of one, two, or three times the executive's base salary
- * full vesting and payment of the executive's DSC Plan account
- * full vesting of the executive's unexercised stock options.

The employment agreements and change of control provisions for each of the named executive officers are substantially similar. Generally, pursuant to the agreements, a change of control is deemed to have occurred on the occurrence of any of the following events:

- * 30% or more of VSE's issued and outstanding stock is acquired beneficially by one or more persons acting together in concert or otherwise;
- * a cash tender or exchange offer is completed for an aggregate of 40% or more of VSE's issued and outstanding stock;
- * VSE's stockholders approve an agreement to merge, consolidate, liquidate, or sell all or substantially all of Employer's assets, unless after the merger or consolidation VSE is the surviving corporation and more than 50% of VSE's issued and outstanding stock is beneficially owned by existing VSE stockholders both before and after the merger or consolidation;
- * two or more directors are elected to the Board without having previously been nominated and approved by the members of the Board immediately prior to such election.

Notes to Director Compensation Table

1. The amount reported in column (b) combines amounts paid for director fees and meeting fees. See "Narrative to Director Compensation Table" below.

2. Pursuant to the 2004 Directors Stock Plan, Mr. Kendall and Mr. Koonce elected to receive all, and General Ross elected to receive half, of his annual director fees of \$24,000 for 2006 in VSE Stock in lieu of cash. Mr. Kendall and Mr. Koonce each received 693 shares (\$23,985), and General Ross received 346 shares (\$11,975), of VSE Stock per their respective elections. The dollar amount recognized for financial statement reporting purposes in accordance with FAS 123R was the fair market value of the VSE Stock received based on the closing price of VSE Stock on November 30, 2006 (\$34.61 per share), the valuation date specified in the plan.

3. Pursuant to the 2006 Restricted Stock Plan, each non-employee director was granted a Restricted Stock Award of 300 shares of VSE Stock on June 27, 2006. The dollar amount recognized for financial statement reporting purposes in accordance with FAS 123R was \$9,450 or \$31.50 per share based on the closing price of VSE Stock on June 27, 2006.

4. At year end, each of the non-employee directors named above held 300 shares of restricted VSE Stock, as indicated in Note 3 above, and stock options covering shares of VSE Stock as follows: Mr. Kendall-1,187 shares, Mr. Koonce-1,188 shares, Mr. Lafond-1,750 shares, Mr. Osnos-2,500 shares, General Ross-2,500 shares, and Ms. Wachtel-2,500 shares.

Narrative to Director Compensation Table

During 2006, each non-employee director was compensated with director fees at an annual rate of \$24,000, and the Chairman of the Audit Committee was compensated additionally at an annual rate of \$5,000 (total director fee of \$29,000). In addition, each non-employee director was compensated at a rate of \$1,000 for each Board meeting attended, and Committee members were compensated at a rate of \$1,000 for each Committee meeting attended.

Pursuant to the VSE Corporation 2004 Non-Employee Directors Stock Plan approved by stockholders in 2004, each non-employee director can elect that all or a portion of his or her annual cash compensation for services as a VSE director be paid in VSE Stock at fair market value determined in accordance with the plan. Amounts paid in VSE Stock for directors fees for 2006 under the plan are noted above.

Pursuant to the VSE Corporation 2004 Stock Option Plan approved by stockholders in 2004, each non-employee director was granted, as of January 1 each year commencing with January 1, 2005, a nondiscretionary five-year option to purchase up to 1,000 shares of VSE Stock. In December 2005, VSE's Board discontinued awarding options to purchase VSE Stock. Options outstanding as of December 30, 2005, were not affected by this Board action. The total number of stock options held by each non-employee director as of December 31, 2006, is indicated in Note (3) of Notes to Director Compensation Table.

Following approval of the 2006 Restricted Stock Plan by VSE stockholders on May 1, 2006, each non-employee director was granted a Restricted Stock Award of 300 shares of VSE Stock on June 27, 2006. A Restricted Stock Award Agreement was issued for each Award. Shares of VSE Stock issued pursuant to the Restricted Stock Plan and Award Agreement are fully vested when issued, but the certificates for such shares bear a restrictive legend prohibiting the sale, transfer, pledge and assignment of such shares for a two-year period commencing on the issue date. When all restrictions on the certificates bearing a restrictive legend have lapsed, VSE will issue non-restrictive certificate to the directors (subject to any applicable securities law restrictions). Directors appointed during the year will be eligible for a pro rata annual award.

During 2006 the Compensation Committee engaged PricewaterhouseCoopers to perform a compensation analysis for VSE executive officers and directors. The Committee met and conferred with PricewaterhouseCoopers representatives at numerous times in 2006, and on December 5, 2006, PricewaterhouseCoopers reported that its benchmarking survey indicated that the equity portion of total non-employee director compensation was below peer group benchmarking averages (see "Review of Executive Compensation" above for further information on the PricewaterhouseCoopers engagement). Based on the compensation analysis, and on the recommendation of its Compensation Committee, the Board authorized an increase in the annual non-employee director Restricted Stock Award to 400 shares of VSE Stock beginning on January 1, 2007.

Mr. Ervine as the Chairman of the Board and Chief Executive Officer of VSE receives no additional compensation for services as Chairman of the Board. In addition, no compensation is paid to any non-employee director for personal services rendered to VSE pursuant to a consulting services agreement between the director and VSE, or any of VSE's subsidiaries, unless authorized as a special assignment by the Board. No such authorization was requested for or on behalf of any director in 2006. The foregoing procedures do not restrict reimbursement for expenses incurred by a director for attending meetings of the Board or its authorized committees.

- 27 -

Compensation Committee Interlocks and Insider Participation
